

A COVENANT between the parents and Trinity staff of \_\_\_\_\_.  
(name of child)

We agree

1. That it is not possible to fully guarantee that a student or staff member will not become infected with COVID-19 while participating in Preschool activities.
2. That working together will lower the risk of becoming infected with the virus.
3. That the preschool's Health and Safety Plan is a responsible and reasonable plan to provide a safe environment for early-learning activities.
4. That as parents we will commit to following the Health and Safety Plan and will honestly complete the In-Home Screening and have students not attend school when ill.
5. That as staff we will commit to following the Health and Safety Plan and will notify a parent if a child becomes ill while participating in school activities.
6. That as more COVID-19 information and understanding becomes available, and/or as COVID-19 impacts our community differently, modifications may need to be made to the Health and Safety Plan.

Our signatures affirm that we therefore commit to being supportive partners in providing a safe and healthy environment in which the academic, social, spiritual, and physical skills of this child may grow.
