HEALTHY FOODS, AND... THANKSGIVING

WEEK 1 (11/1,3,4) After all that trick-or-treat candy, we begin our discussion of Healthy Foods! We will be talking about making choices from the food groups and how foods help us grow and stay healthy. Our healthy habit this month is to Eat Right! Our color this week is Brown.

WEEK 2 (11/8,10,11) We continue to look at each food group and how it helps our bodies.

Emergency Preparedness Plan

During October we talked about safety, rescue, and fire topics. We practiced an emergency evacuation and talked about what would happen in an emergency here at school.

We need to inform you where your child would be through an emergency if there was not time to orchestrate an early dismissal.

If weather warnings, utility, or hazmat situations occur, we will hold in our restrooms if we can not roam the enclosed and secured building.

If we encounter fire emergency or require evacuation to a close by open sight we will walk the children to the corner of North Rosewood Court and Lincoln Drive. You will be able to pick up your children there.

If we need to evacuate to a closed secure building site you would find us at Conrad Weiser East Elementary Center. We would have all your contact information with us and a sign on the church door would tell you where we are.

Now that the changes of autumn are more noticeable, we look for signs of fall.

WEEK 3 (11/15,17,18) This month we will also be talking about the first Thanksgiving and how Thanksgiving is a time to be thankful and to enjoy a special meal

November Dates to remember . . .

Wed 3	Show & Tell: Brown	Wed 17	Show & Tell: Something for which you are thankful
Thurs 4	Wear some Brown Book orders due	Mon 22 through Mon 29	Thanksgiving Holiday
Wed 10	Show & Tell: A sign of fall	Wed Dec 1	Return from break, (a short week), No Show & Tell
