WINTER, WHITE, EXERCISE, & USING OUR SENSES!

WEEK 1 (1/3,5,6)-Closed

WEEK 2 (1/10,12,13)— We bring in the New Year with a look at how the season changed to Winter. Our color will be White.

WEEK 3 (1/17,19,20)— Our Healthy Habit this month is Get Plenty of Exercise. We will read about muscles and bones.

Also, this month we will talk about our five senses and highlight them in our “Show & Tell.” We begin with our senses of Sight and Touch. Children should bring an object with an interesting texture to touch. Try to help them associate a word with it, (i.e. smooth, bumpy, slimy, prickly) We will plan to be open for school on Monday 17th. If you already have family plans, since it is a holiday weekend, just let us know.

WEEK 4 (1/24,26,27)— We will have Listen & Tell (try to help your child find an object that makes a distinctive sound the rest of us can identify without using our eyes (a bell that rings, a pen that clicks).

Snowy weather

If the roads are safely plowed and our walk is shoveled, we will try to have Preschool.

We will make that decision in the morning by 8:00 a.m. when the custodian has contacted us to let us know what the conditions are at church. As always, you know best what your conditions are and whether your route is safe.

We will send you a text by 8:30 a.m. to let you know whether we can open. You are welcome to text or call, if you are in doubt or haven't received a message by then. 610-781-8132

WEEK 5 (1/31, 2/2,3) We continue to explore the senses with Smell & Tell. Help children find an object with a familiar, natural smell, (i.e. a small sample of powdered cinnamon, rather than a cinnamon candle.) Look for objects with distinctive smells—burnt toast!

January Dates to remember . . .

Wed 12	Show & Tell: WHITE	Wed 19	Touch & Tell: An object with an interesting texture
Thurs 13	Wear some White	Wed. 26	Listen & Tell: a sound we can guess
Mon 17	We do have Preschool	Wed 2/2	Smell & Tell: a smell we know
