

APRIL  
2024

# EASTER, SPRING WEATHER, AND THE LIBRARY

**WEEK 1** (4/3,4)—We celebrate the beginning of the Easter season. Our Healthy Habit this month is Exercise!

**WEEK 2** (4/8,10,11)— As more signs of Spring emerge, we will talk about weather and our changing seasons beginning with rain, wind, and storms.

**WEEK 3** (4/15,17,18)— As we observe National Library week (officially last week), we will squeeze in some Library facts and fun and get ready for our trip to the Conrad Weiser East Elementary Center Library on Monday April 22.

**WEEK 4** (4/22,24,25)— We will walk to the CW East Library and while we are there we will also tour the Kindergarten classrooms, playground, and enjoy our snack in the school cafeteria. All month we will learn about the benefits of exercise and take a closer look at muscles and bones.

**WEEK 5** (4/29, 5/1,2) We will begin exploring one of our favorite signs of spring—Bugs. More details to come.

## PICTURE DAY THURSDAY APRIL 18, 2024

On Thursday we will have our individual and class pictures taken. More info will be coming home soon. Please return the envelope even if you do not plan to buy pictures. All children will be included in the pictures, but only Prepaid orders will be filled.

## Parent/Teacher Conferences

During the last week of April, we would like to talk to you about any school concerns you might have and relate the progress of your child's development. A sign-up sheet will be posted in an email and in the entry way for you to schedule a conference time when you drop off your student. If the times suggested do not fit into your schedule, please let us know and we can provide more options.

For your calendar: The last day of Preschool will be Thursday May 30,2024. Our Farewell Program will be at 11:00 am on Thursday May 23, 2024, followed by a class/family picnic. Everyone is welcome!
