MOTHER'S DAY, BUGS & INSECTS, THE FAREWELL PROGRAM

WEEK 1 (5/1,2)—For Show & Tell, the children should bring something that has the same beginning sound as their name i.e. Mrs. Franzen could bring a frog. You might have fun finding an object for each family member's name and you will be helping your child discriminate letter sounds.

WEEK 2 (5/6,8,9)—We will be working on a surprise for Mother's Day. We have many storybooks and some songs about how special our mothers are to us. For Show & Tell, children should bring in two objects that rhyme (sock, clock). Look around the house and start rhyming; you'll be surprised how many pairs are there!

WEEK 3 (5/13,15,16)— We will be taking a look at the school year in review as we put the finishing touches on our Farewell Program. Show & Tell is one of our favorites as the children bring in something they made at Preschool this year.

WEEK 4 (5/20,22,23)— All month we explore our Bug Unit as we talk about the characteristics of insects, their body parts, where they live, and their strange shapes, sizes, and colors.

WEEK 5 (5/29,30)—We will have a little bit more fun learning at Preschool these last two days after the holiday.

Farewell Program
Thursday
May 23, 2024
11:00 am

We hope you can join us for our Farewell Program. Children should be brought to school at the normal time. Our Program will be held in the Nave (upstairs) of the church so there should be plenty of room for seating everyone. Following the program we will have our class/family picnic at the Wernersville Playground. We will have sign-up sheets for food and number of people attending. Everyone welcome!

Wernersville Memorial Day Parade
10 a.m.

Monday May 27, 2024

We hope your family would like to join us in representing the Preschool in the parade. Our Trinity Sunday School Orchestra will be on a trailer, and we would like to have a float of Preschoolers (alumni welcome!) as well. Families could walk with us. Decorated strollers and bikes welcome. More details will be coming.
